<223> n = A,T,C or G

<400> 1
gaaaucuguu uccucuccgc ucaccgacgc gaacaunnnc
40

The above <222> response is incorrect:  "n" is not at location 36--"u"
is.

Also, the above <223> response is incorrect:  when the <212> response is
"RNA," "n" can only represent A, U, C or G.  No t's allowed.
